HARVEST IN NORTHEAST ITALY

HTM has been taking the Word of God and the power of the Holy Spirit to Northeast Italy over the past seven years.

During the month of May, Gerald and Kathy Green were able to minister the Word and power of the Holy Spirit in six Italian

Cities... Verona, Modena, Mantova, Padova, Venezia, and Vicenza.

In a region where 99.5% of the people have no knowledge of a personal relationship with Jesus Christ, HTM prayed with **24 individuals** to enter into a life-changing relationship with Jesus. This is a landslide!

The theme of this Italy mission was, "POWER TO CHANGE YOUR WORLD." Anointed teaching of God's word joined with the power of the Holy Spirit brought about a harvest of changed lives.

God was glorified as **49 believers** received power to change their world through the baptism of the Holy Spirit.

ITALY... A NATION IN CRISIS... LOOKING FOR REVIVAL

The Greens saw first hand the devastating effects of the economic crisis on the Italian people and churches. Multitudes of immigrants, that had been part of local churches, have left the country in search of jobs. Some have been barely surviving to support a family going two years

Years or more without a job.

The Italian government offers little assistance. Local churches have had no choice but to take on the burden of assistance for families in need at a time when church income has dropped due to unemployment.

The people of Italy are grasping for **ANSWERS** and **HOPE** in a dark world of despair. The stage is set for **REVIVAL** in this nation. HTM is praying to be used of God for **REVIVAL** in Italy.
